

**The National Horseracing Museum presents
Accumulated – a new escape room experience
FAQs**

How many players can play the game at once?

The locked room game has been scripted to allow groups of 2 to 6 adult players in the room at once.

Who is it aimed at?

Families, friends, work colleagues, students, corporate icebreakers and team building; in fact, anybody who likes trying to solve a puzzle with a bunch of friends. Under 16s need to be accompanied by at least one adult and we advise that children need to be over 12 to be able to fully engage in the experience. You don't have to climb walls or clamber through tunnels so no need to be super fit.

How much does the Escape Room cost?

The total price is £120 regardless of how many players.

When do they run?

Escape Rooms operate every Saturday and Sunday as well as Bank Holiday Mondays from 3rd May to 21st December 2025. Sessions operate at 10.30am, 12.00pm and 1.30pm.

Can I book an Escape Room on any other date than those advertised?

Yes, this is possible, subject to availability. To enquire, please email: events@nhrm.co.uk.

How can I book?

Bookings can be made online via our website: www.nhrm.co.uk

Am I able to purchase a gift voucher?

Yes, gift vouchers for a session at £120 are available to purchase but please note the expiry date is 21st December 2025, and no refund can be given for vouchers not redeemed.

How long will the game take?

The scenario requires you to complete and escape within 60 minutes from the time you enter the room. When you arrive, you will be given a 5-minute briefing and then escorted into the puzzle room where you will be left to participate. Also allow for 5 minutes after the game, allowing us to go through any puzzles you struggled with.

How will I know when the 60 minutes are up?

A countdown timer is displayed on a screen inside the room and an alarm will sound at the end of the 60 minutes.
